Dear Mr. Barker,

It was a pleasure speaking with on you on 12/3/07 regarding the Parentpoint, Inc. having an interest in offering Continuing Education Units throughout the Mississippi Schools Districts (statewide) from Delta State University.

As a member of the Mississippi Institute of Higher Learning, I want to assure you that Delta State University is an accredited Continuing Education Unit (CEU) granting school (agency); successfully offering and awarding Educators, Social Workers, Nurses, and many other professions the CEUs they need towards their chosen experiences. More specifically, individuals may use their personal records reported in CEUs to meet requirements for:

1. Maintenance or improvement of professional competencies.
2. Documentation of continuing qualifications for licensure, certification or registration.
3. Evidence of personal and vocational growth and adjustment to meet changing career demands.
4. Preparation for new career by personal preference or as caused by the pressure of individual or technological obsolescence.
5. Demonstration of a conscious and persistent effort toward personal development.

During our conversation, I discussed with you the procedures and the proper paperwork to submit to our office in order to be able to successfully award any CEU credits to any/all of your attending participants. Since then, you have provided all the necessary paperwork to ensure that DSU will be able to award these credits.

DSU is honored to be associated with such an elite organization such as Parentpoints, Inc. to successful award CEUs to your participants. I look forward to hearing from you in the near future with follow-up paperwork for us to process.

If you have any questions or concerns, please do not hesitate to contact me by telephone at 662-846-4027 or via email at vsmith@deltastate.edu.

Sincerely,

Veronica Smith, CEU Administrator
